School Uniform 2017

Please note that changes for 2017 are in italics.

The Scots School Albury uniform shapes an integral part of our school’s personality. The uniform is very much a part of the identity, tradition and general discipline that Scots offers, setting Scots apart by providing an individual identity within the community. We ask all our students to wear their uniform with pride and dignity and to remember that untidy dress or misbehaviour whilst dressed in the school uniform brings discredit to the school, themselves and parents. Parents are expected to fully support the school’s requirements concerning school uniform and neat appearance. Please assist us by ensuring that students are not wearing their uniform partially or incorrectly outside of school hours.

GENERAL REQUIREMENTS
A student should wear the full school uniform correctly, completely and cleanly at all times, whether at school or outside the school. This includes during school hours, whilst travelling to and from school and whilst involved in excursions or other activities where they are representing the school. When they are in public after school, students should not wear parts of the uniform with casual wear (e.g. sandals or thongs with the dress after school is not tolerated).

Each student is responsible for maintaining high standards of dress in and out of the classroom e.g. ties and buttons done up, shirts tucked into trousers or kilts, jumpers worn correctly. Shirts should be ironed. See the full list of uniform requirements in the following pages of this document.

TERMS 1 AND 4
The full summer uniform is worn during these terms. This includes the school hat.

When outside the school grounds, students must be in school shirt/dress or the blazer. Please note blazer is not compulsory in summer. At no time when outside the school may the jumper be worn as the outer garment. This includes public transport, walking, cycling, private car or shopping after school.

Girls must wear the school regulation white with navy stripe socks. Boys, the school regulation khaki socks.

TERMS 2 AND 3
The full winter uniform is worn during these terms.

When outside the school, the blazer is the outer garment at all times. The blazer should be worn to and from school each day. At no time when outside the school may the jumper be worn as the outer garment. This includes public transport, walking, cycling, private car or shopping after school.

The blazer must be worn to all school assemblies and formal occasions. The school jumper may be worn underneath.

HATS
During Terms 1 and 4, all students must wear their school hat when outside. This includes, walking to and from school, in between classrooms, waiting for buses and during lunch and afternoon break time. Hats should be cleaned regularly and they should be repaired or replaced when damaged or badly worn.

UNIFORM SUPPLIERS
The Scots Shop (operated by Pickles) and the Scots Clothing Pool (operated by the Parents and Friends) are the recognised suppliers of the uniform. Only at these shops, can you be guaranteed of buying the correct uniform items.

HAIR
The school understands that hairstyles can be a very individual way of expressing oneself and are often influenced by fashion and trends. Our general expectation in regard to hairstyle is that it be neat, clean and not extreme in style so
as to draw attention to the individual student. Any student considering changing their hairstyle, and is unsure of to how it would be accepted at School should seek guidance first from the Head of Junior or Senior School. Please see all year section for further information.

MAKEUP
Makeup and/or nail polish is not to be worn at school.

LOST PROPERTY
Lost property is held until the end of term.

- Senior School – English block (key available at reception)
- Junior School - Junior Office

There is also a lost property bin located in the in the Indoor Sports Centre foyer. Lost property not collected will be passed on to the Scots Clothing Pool.

BREACH OF UNIFORM POLICY
Any breaches of the uniform policy will be dealt with by the staff. Students who cannot satisfactorily meet the uniform requirements will be given a lunchtime detention or other punishment. Frequent breaches of school uniform rules are considered a serious issue.
